Yulupa CoHousing is a 12-year-old intentional community that offers a sustainable and community-oriented lifestyle. Located in the highly desirable Rincon Valley school district, it is the perfect place to raise a family, with vegetable gardening, frequent shared meals, variety shows, holiday gatherings, and more. Over the next year, we will offer four opportunities to join us. A 4-bedroom and a 2-bedroom unit are currently for sale. A 1-bedroom and 3-bedroom will also be available for sale soon. Come discover what living in a caring and visionary community looks like!
